BMR
Benchmarking
15 metropolitan
regions

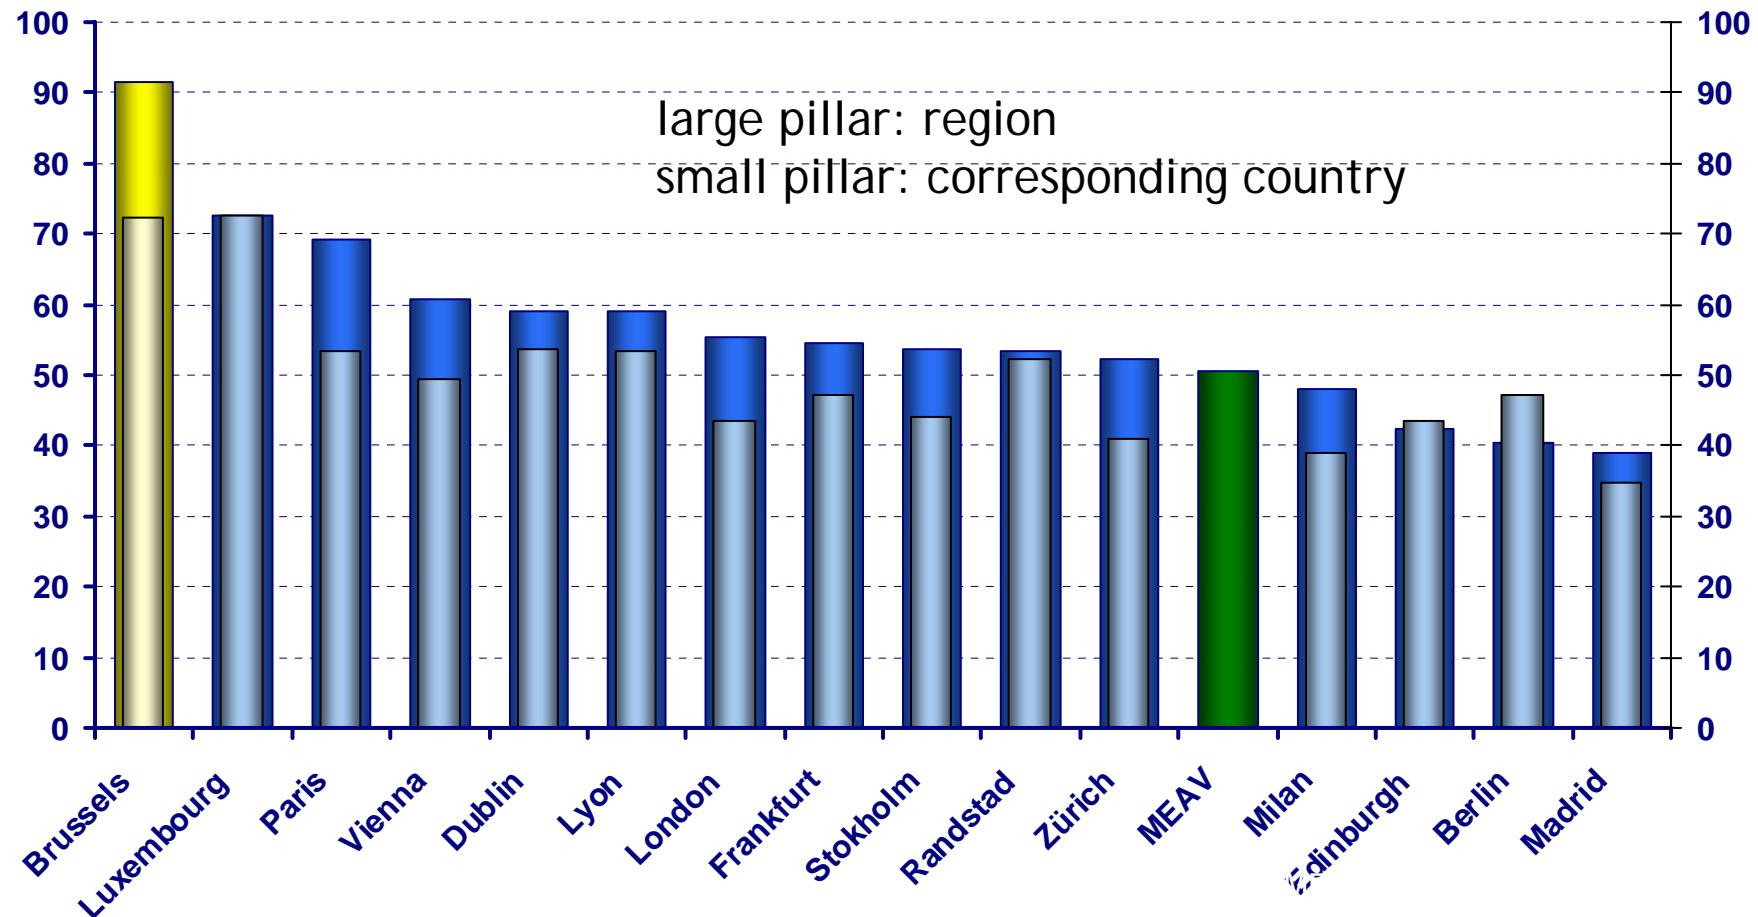

BMR : Région économique très préformante

BBP par habitant, en USD, 2006

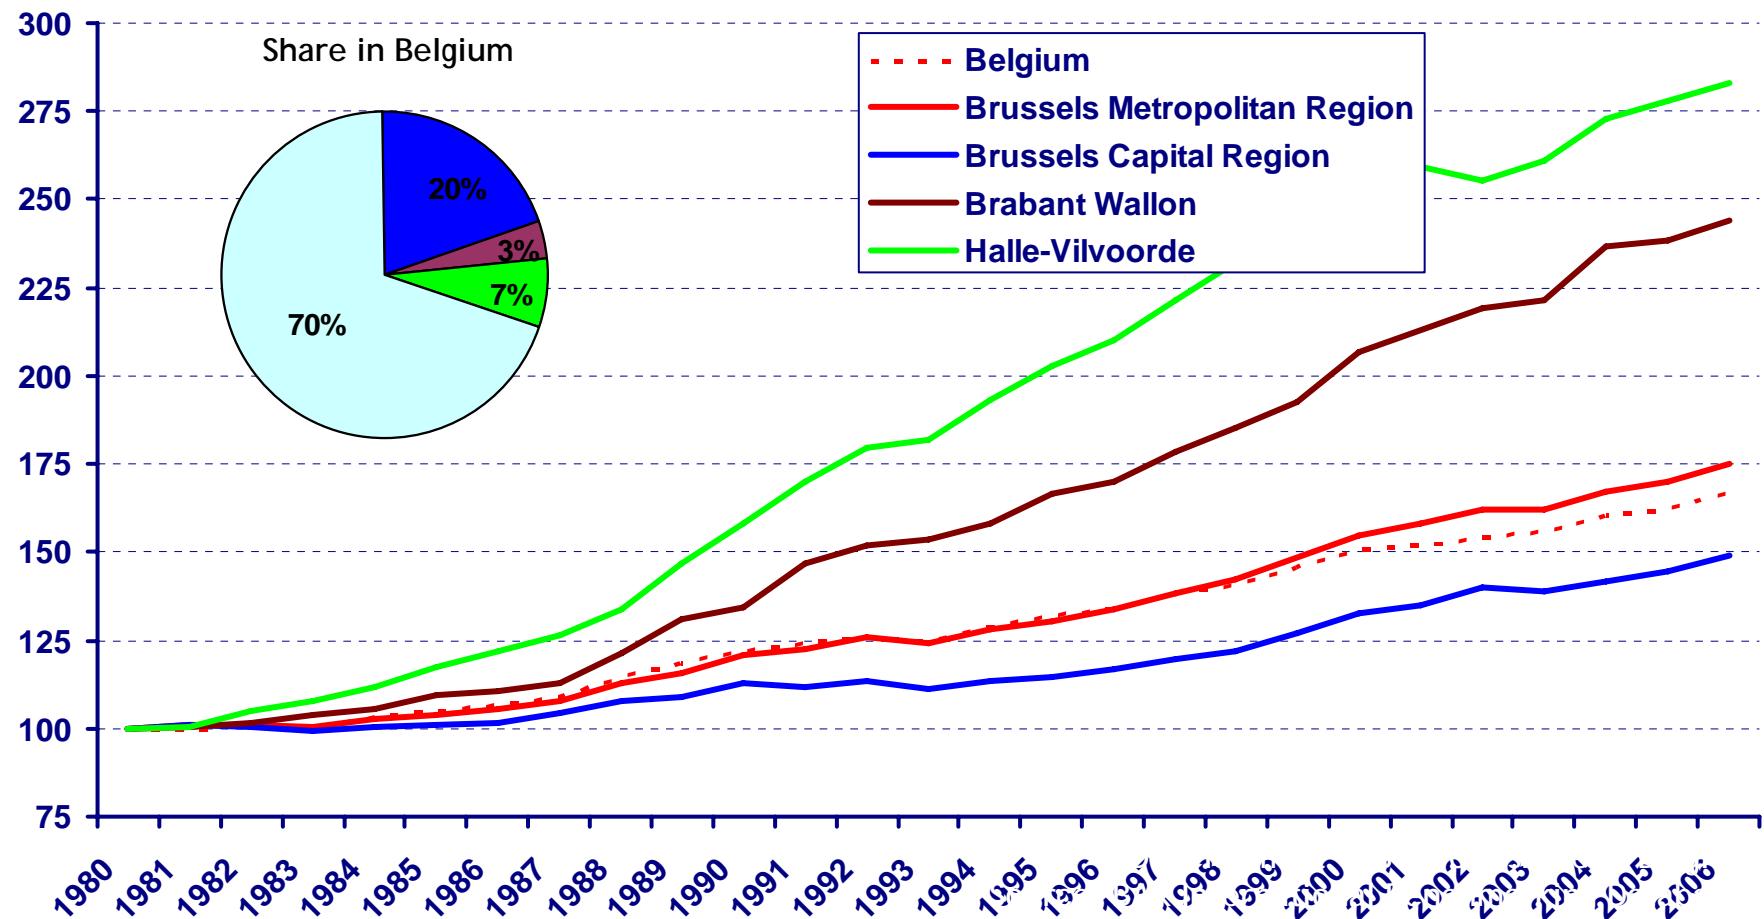

BMR champion de la productivité

Output par heure prestée, en USD, 2006

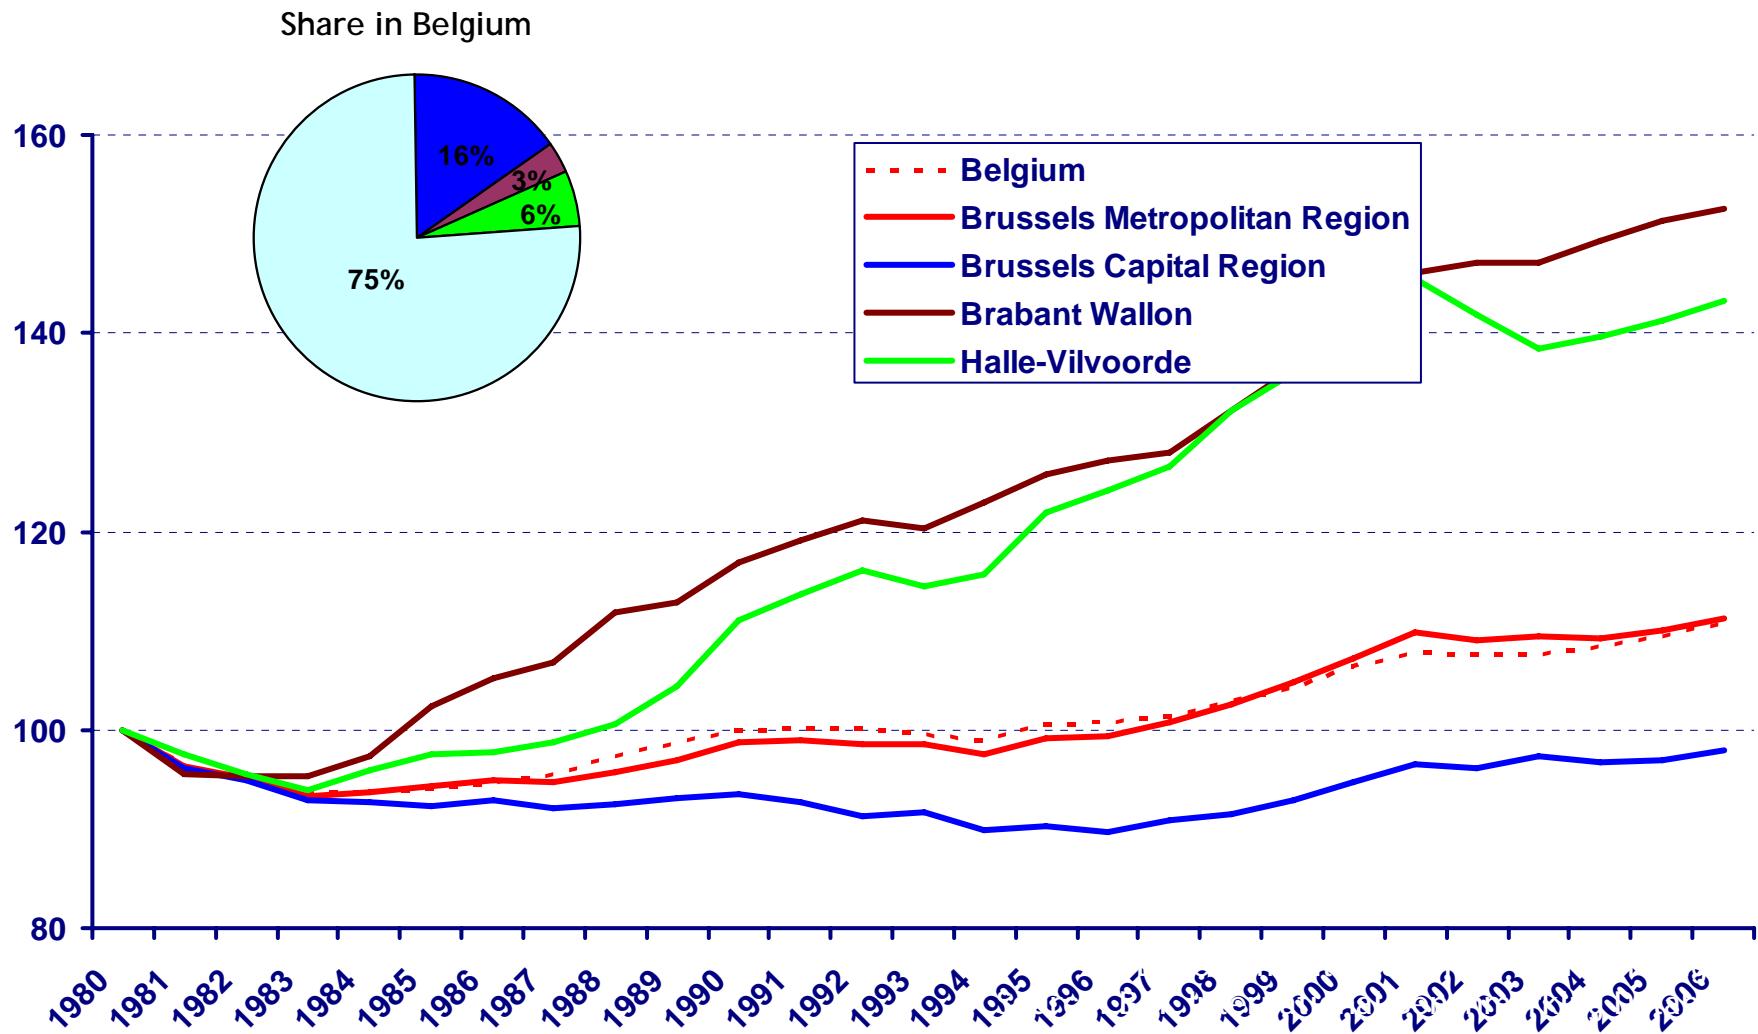

BMR : le poids est au centre, la croissance dans la périphérie

Croissance PIB 1980-2006

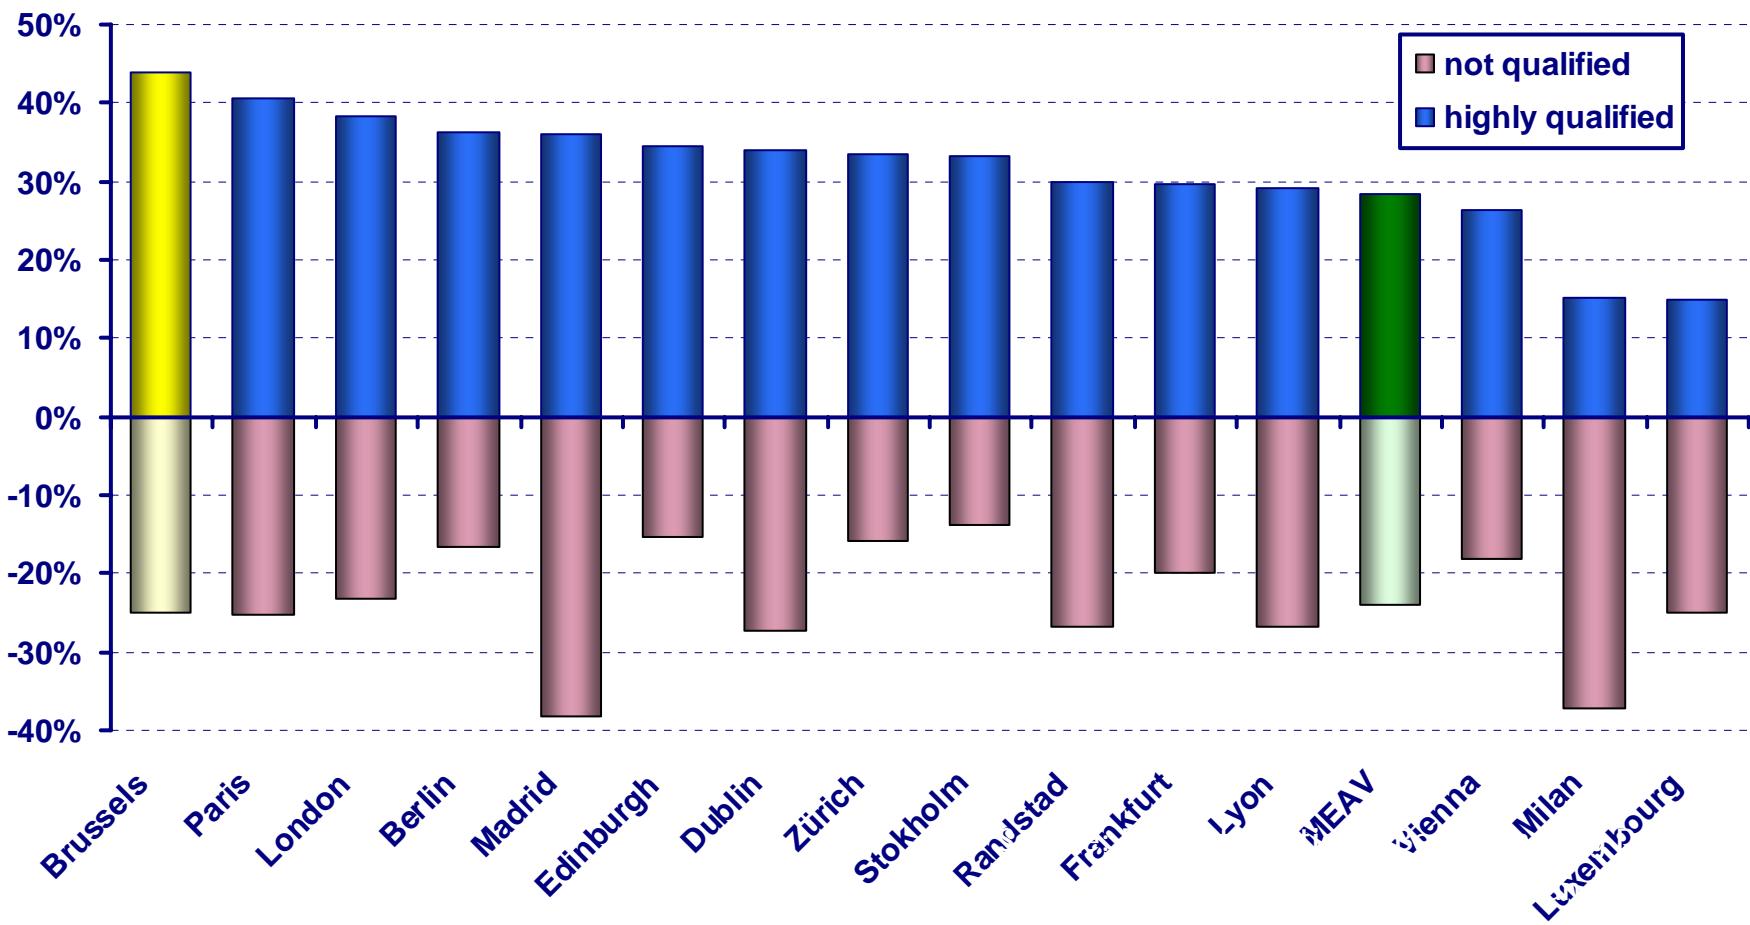

RMB: la création 'nette' d'emplois se situe dans la périphérie

RMB: leader européen de diplômés de haut niveau; nombre important de peu qualifiés

Partie de l'emploi total, 2006
